

Parish of Alsager with Hassall Green Mission Statement

Open doors,
Open hearts,
Open to all

...to discover the love, joy and
peace of Jesus

Our Mission is to be a Spiritual Home for the Whole Community

- ❖ Where every person is welcomed and valued, regardless of age, gender, colour, ability, wealth, sexuality etc
- ❖ Where all are invited to discover healing, hope, and purpose through Jesus' love.

**A community where lives are
transformed by
God's AMAZING presence**

Our Vision

We long to see people grow:

- ❖ In faith and understanding of the Bible
- ❖ In numbers coming to join our church families
- ❖ In all ages being represented in our congregations
- ❖ In the connections between the two churches

We believe our worship should:

- ❖ Include a variety of worship styles
- ❖ Involve lay people in leadership
- ❖ Include the needs of those with disabilities

We believe our buildings should be:

- ❖ A spiritual space for the whole community
- ❖ An open place where all feel welcome to connect with the light and love of Jesus Christ
- ❖ A Cultural Hub: a place where interesting things happen, used by the community, and ‘buzzing’ with life and energy

We want to be financially secure:

- ❖ To develop our missional activity
- ❖ To create a more economically sustainable, efficient, and ecofriendly power supply and heating system
- ❖ To go on maintaining the buildings
- ❖ To support others in need through planned charitable giving
